CENTRAL VALLEY COMMUNITY BANK COMPLETES NEW PRATHER BANKING CENTER

Grand Opening Through June Celebrates Local Businesses and Seedlings of Hope Program

FRESNO, CALIFORNIA...June 1, 2021... James M. Ford, President and Chief Executive Officer of Central Valley Community Bank (Bank) is pleased to share the opening of the Bank's newly reconstructed full-service Prather Banking Center located at 29430 Auberry Road. Additionally, the Bank will hold a monthlong Grand Opening celebration for clients and the community to tour the new Banking Center during business hours beginning June 1, 2021.

The Prather Banking Center Grand Opening exemplifies the Bank's commitment to Central Sierra communities, and will celebrate local businesses with 20 enter-to-win opportunities for gift cards to businesses from the foothill communities to Shaver Lake and Lakeshore. Daily drawings will be held from June 3 - June 30, 2021. Additionally, a \$1,000 donation has been made to the Central Sierra Resiliency Fund's Seedlings of Hope program to plant 200 seedlings in the forests affected by the Creek Fire within Fresno County.

Led by Vice President, Banking Center Manager, Shannon Millican and her team of banking professionals, the new 2,500 square foot Prather Banking Center offers the same banking services clients and the community have become accustomed to, including an ATM, night depository and safe deposit boxes, plus a host of convenient digital banking products, personal lending, home construction and permanent loans, business lending and cash management services. Business hours are Monday – Friday, 9:00 a.m. – 5:00 p.m. The Prather Banking Center direct phone number is (559) 855-4100.

Central Valley Community Bank has enjoyed a special relationship with the Central Sierra since 1982, when the Bank established a branch in Shaver Lake which later relocated to Prather. That original Prather Banking Center planted its roots in 1987 and now, 34 years later, the Bank's commitment to providing financial services to residents and businesses of this vital region as its only bank is stronger and more resilient than ever.

“We are thrilled with the completion of our new Banking Center in Prather, which began construction in June 2020. Our incredible team operated out of a small temporary location throughout construction, remaining open during the historic Creek Fire and the pandemic. The dedication they have shown to our clients, the region and our Company is nothing short of incredible, said Ford. “We remain steadfast in our commitment to the Central Sierra region and will do our best to continue to greet the community with a smile as we help them rebuild their businesses and homes.”
