

IMPORTANT INFORMATION

ACH Electronic Payments Changes

Effective September 15, 2017 the National Automatic Clearing House Association (NACHA) has changed its rules to include same-day processing of most Automated Clearing House (ACH) payments. This change affects both deposits and transfers.

This change has been implemented in an effort to make electronic payments faster and more efficient. This is a great benefit when you are receiving a payment, but also means that when you are making a payment, the funds may clear your account sooner, if not immediately.

As a courtesy, we want to make you aware of this change to help you avoid possibly overdrawing your account. Please be sure funds are available in your account before you make a payment to cover any authorized payment at the time of the transaction.

If you have any questions or need further assistance please feel free to contact customer service at 800-298-1775, Monday through Thursday from 8:30 a.m. to 5:00 p.m. and on Friday from 8:30 a.m. to 5:30 p.m.
